

## *NATALIE* ANNETTE

**Interior Designer, Co-Founder of  
the Candelari Company, Author  
of “The Grand Festive Picnic” and  
Product Designer of The Jubilee  
Collection**

Bold. Unique. Artistic. These words describe not only The Jubilee Collection, they could be ascribed to Natalie Annette herself. Once inspired by her beautiful daughter Kate, and now enjoying special reflections with friends and family while gathering over her luxury tableware line. It is both playful and elegant, much like the designer herself. Whatever the endeavor, rest assured Natalie Annette creates with consummate style.

The Jubilee Collection by Natalie Annette available at Bering's and Sloan Hall.
